## 2017 ANZAC DAY MARCH REPORT

Again we had support of uniformed troops from the Geomatic Engineering Wing of the School of Military Engineering (SME) at Holsworthy.

The participation of the uniformed personnel who man our banner (it requires 4 to tend it) really sharpens up our group's appearance.

Many thanks to Geomatic Wing for organising the military contingent and their transport

There were 17 ex Survey members marching plus 7 uniformed troops from SME

At the conclusion of the march we had our very-very short AGM in Hyde Park.

Richard Jackson-Hope retired from holding office positions Frank Fischer and Phil Bannister offered their services to fill the positions.

On conclusion of the AGM the majority of us adjourned to the Macquarie Hotel in Wentworth Street, where a great afternoon was enjoyed by all.
